## EXPERIENCE.....

### Web Developement Immersive

General Assembly, Sydney (Feb-May 2016)

During this immersive course I coded all day, every day, weekends and weeknights, for 12 weeks straight in latest tools and technologies.

### Web Developer - Intern ( worked on practera.com)

Intersective, Sydney (Aug-Nov 2015)

I worked with global development team and implemented new features to Practera web app. I developed solid understanding of MVC concepts and Cake PHP that helped me to collaborate with the team in a version control environment. I was involved with the whole development life cycle from requirements engineering to implementation and testing.
